Lunch at the Bread of Life

By Carolyn Simpson

The day started off cool but turned out to be a beautiful day to get the old cars out and drive the back roads. There were 13 cars and 22 people that took off from McDonalds. We had two guests with us, Sandy and Doug Miller driving their 1965 Mustang. Thanks to Joe & Joan Vice, the Millers have become new members. See the article that follows.

The back roads were beautiful this time of year. The farms with the horses grazing and the fall colors, what a gorgeous time to be in the Bluegrass. Our destination was 'Bread of Life Cafe'. The food, as usual, was delicious. Thanks to Diana Hanks for arranging this tour.

They did it...new members!

Welcome to the newest members of the Bluegrass Region club. Doug and Sandy Miller of Lexington proudly bring their 1965 Mustang convertible to the group. Sandy is the sister of member Joan Vice, so no doubt the Millers know full well the adventures they will encounter on tours in the year ahead. They sound like a perfect match for this touring group, because the interests listed on their application include "sports, fishing & eating". Everyone knows we cover that last one ever trip we take. Please take a minute to introduce yourself to them at the Christmas party or the next event that brings you together. We're so glad to have you in the group Doug & Sandy!
