JANUARY ISSUE VOLUME 1 JANUARY 2010

A Great Way to Close 2009

The setting was the festive Thomas Hunt Morgan House, and once again our hard working “hostess with the mostest”, Mary Ellen Lutz set the stage for an evening that was enjoyable to all!

The decorations, the social hour filled with the joyful sounds from a harp, the delicious buffet selections, the outstanding auction items, the successful results of the fund raising and the completion of the election of officers for 2010 made for an eventful evening.

Mary Ellen, we sincerely appreciate all you do to create this special evening to close out the club’s events for the year. The beverages for the social hour along with Phil & Lo’s appetizer specialty were great enhancements to enjoying the music supplied by Mary Deicher and her harp. You have found a terrific caterer in Dana Mitchell, and even successfully changed the menu this year to keep the dining experience fresh.

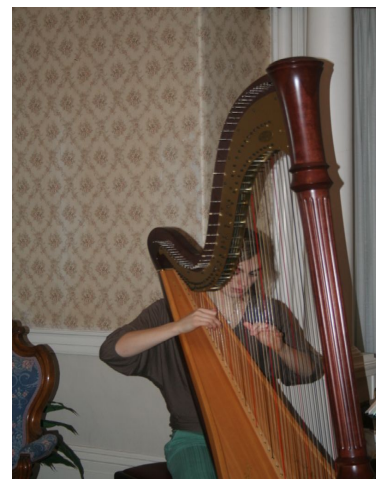

Our President Ray Szeluga, took center stage as dinner was winding down and final silent auction bids were placed. He provided thanks to all those who helped him through his first year as an officer, and offered a list of proposed road trips for 2010 to be reviewed and voted on by the membership. The board will use the top picks as the starting point for planning monthly tours for the new year.

Carolyn Simpson was kind enough to act as the auctioneer as the silent auction ended and the live bidding began. What a success!

As in the past, the auction provided a wide variety of items for sale. Candy treats, tools, decorations, original art, auto collectibles, and so much more. The club has added \$333 to their checking account to help cover expenses this year. A special thanks to the generosity of all in attendance, and those who made donations to the club even though they were unable to attend!

Outgoing Vice President John Blair presented gift cards of appreciation from the club to Ray Szeluga, Jim Fettig & Linda Kubik for their efforts throughout the year.

Rumor has it that Mary Ellen is already reserving a date for the event in December 2010. Plan ahead...you won’t want to miss it!

Mary Deicher and her amazing harp provided beautiful music for the evening.
