March 2012

Homemade Ice Cream & Pie Kitchen

by Sandy Miller

The Car Club met at Rooster's on Man of War to share a lunch before heading out on our driving tour. A varied menu enabled all of us to find something to our liking, from chicken and fish dinners, to many types of sandwiches and salads. A fire was burning in the fireplace and we had long tables for seating. We enjoyed meeting new members and visitors alike and having a time to catch up on everyone's news.

After lunch we headed out Nicholasville Road to Brannon, south on Harrodsburg Road until we reached the lovely Ramsey farm with its matching barns on either side of the road. Turning right we drove thru Keene, KY. and on to areas in Woodford County. It is always interesting to me to see the various names given to the farms we pass: Dontro, Spring Ridge, Polgrin Stables, Hilton's Haven, Emerald Crest. Our farm in Indiana just goes by the "Miller Farm" and I don't think anyone would know where to find it if we changed it to anything else.

In Versailles we noted people taking advantage of the nice afternoon: jogging, biking, walking and playing soccer.

Turning on to U.S. 60, some left the party to return to Lexington, while others traveled on to Shelbyville to the Homemade Ice Cream and Pie Kitchen. Nothing like a yummy dessert after a ride through the countryside!

It has been a great Spring so far. Our car display at the Kentucky Horse Park was very successful. There was a good variety of cars and trucks, most of which were from our club members. We had a good display of T-Birds--Mary Fettig's '55, Bill and Judi Bates, Herb and Bonnie Eldridge '56, Gene and Valerie Getchell's '57. The one car that everyone took a second look was the 1953 Mercury owned by Her and Bonnie Eldridge and previously owned by our club members, Bob and Cherrie Jackson. Jeff and Mary Rhoads had the oldest car at the event; their 1922 Model T Touring car. One other rare car was Luther and Nannie Fritts 1929Whippet.

A big thanks goes to Brad who did a real good job with the event.

Mark your calendars for April 28 for our next event. Ask a friend to come along. Please let's not forget the ones who are having health problems at this time.....

We hope the following members are recovering quickly from health problems:

Jack Kubik from gallbladder & appendix surgery.

Lawson Simpson (Charlie's brother) Heart Problems.

Bob & Cherry Jackson with ongoing health issues.

Herb & Bonnie Eldridge also with ongoing health problems.

We send our deepest sympathy to Sandy Pettit in the loss of her mother.

Please keep these members in your thoughts and prayers.

1. Transportation expenses for mechanical or electrical breakdown.
