Notes from the President

By Phil Schneider

I have a number of items to bring up this month. I was at the hospital with Lo last month and did not get an article done.

I have been asked by some members to remind tour leaders to watch their speed when leading. Speeds of 40-45mph on state roads was suggested. I have found myself going a little too fast when leading so I will have to be careful myself.

Our Christmas dinner committee has been looking for a place for this year and seems to have found a place for us. We should know more next month.

Liberty Road Senior Center will be having their car show on June 11th and would like our help by bringing out some cars. I'll post more info in later issues.

AACA is having a large meet in Auburn on May 5-7th and are hoping from support from the regions. I have more info on it so contact me if interested.

Hope to a number of you on our ever night next month.
