March 25th Kentucky Depot Restaurant in Stanford, KY

RELIEF FROM MARCH MADNESS

By Carolyn Simpson

I believe everyone needed some time away from basketball, and we couldn't ask for a better day in March. We had 11 cars and 19 people and only one modern car.

Thanks to Jack Kubik for leading us to Danville where we met up with Art Schlachter who took over the tour to Stanford and the Kentucky Depot Restaurant. The tour was delightful; wonderful scenery and good weather.

Thanks to Art for organizing this tour. What more could we ask for; good food, good weather, and the women got to do a little shopping.

Hope to see more of you on the road in 2017.

Q: Who wrote to Henry Ford, "I have drove fords exclusively when I could get away with one. It has got every other car skinned, and even if my business hasn't been strictly legal it don't hurt anything to tell you what a fine car you got in the V-8"?
