Jan 17th Annual Potluck and Bingo Party

By Patty Powell

Many thanks to Joanne Blanck's friend, Mary Jo Billitter, for getting us the clubhouse at Palomar for our January Potluck and Bingo meeting. We had a great time chatting and eating from the table of sumptuous foods before playing Bingo.

With Charlie Simpson as the expert caller and Bob Kirk as his outstanding assistant, we played several fun games with lots of happy money winners, and some that weren't so happy. But we all had a good time.

We were delighted to have Phyllis Lawson and Virgil Cole join us, and hope to see them on some of our road trips this year.

President's Corner

By Phil Schneider

Congratulations to all the winners at Bingo. Next year we are going to try and find a location where we will be on the ground floor so we can get a bigger turn out. Getting harder for some of us to get up stairs.

As you can tell from the schedule we need some help with tours this year. A number of our members have health problems and cannot do a tour this year. This is your chance to lead the club to your favorite eating-place in the area. I will be happy to work with you on putting a route together. Please give me a call if you can help us out in May or November.

We have a new membership committee headed by Jack Garabedian. They are working on various ways to make our club bigger. We need to not only get more members but younger members who can start taking on tours and other duties of the club. Please contact Jack with ideas.

We also talked about doing a car show or a divisional tour during the meeting. This was a very general discussion and no plans were made. I would love to hear from you about these subjects so call me or see me at an event.

February 28th Lunch at Lil's Coffee House in Paris

By Herman and Nancy Butler

We will leave from McDonald's on Elkhorn Rd. at Winchester Rd. (US 60) and I-75 at 11:00 AM. We will travel the back roads-good weather permitting. Lil's Coffee House, where the coffee is really good, is on the corner of 7th and Main St. in the Ardery's Antique building (formerly the J.J. Newberry store) in Paris. In addition to a good lunch, there are many antiques for browsing or buying. There are also several other antique stores in the area. There are many choices of lunch items and you may pick any item on the lunch menu, but a popular one is soup of the day and a half sandwich. Lyra Miller, the owner said we could do a survey to pick which soup those of you who want soup would prefer as the Soup of the Day. The choices could be Tomato Bisque, Chicken Noodle, Roasted Red Pepper, and Chicken Tortilla so if you want soup give me a call with your vote so we can pick a soup. The half sandwiches that go with the soup of the day are Ham, Turkey or Roast Beef. You can reach me, Herman

Time to Make Sure Your Dues Are Paid!

By Linda Kubik

It's time to get your checkbook out to see if you've paid your dues for 2014 to both the national and local club. The national club dues are \$35 and the local club dues are \$15 (single) or \$20 (couple). Linda Kubik can take care of both or just the local dues, whichever you prefer. If you're mailing both to Linda, a single check for the total is fine.

Send to:

To help you...If there is a red dot in the corner of your mailing label this month, then I have not received your local dues.

Membership Committee

By Jack Garabedian

I'm pleased to be part of this committee to work alongside Brad Leasor and Ray Szeluga. We currently have added an invite to potential members on our website as well as our Facebook page. We are also working on a brochure handout that outlines what the club and its activities have to offer. If anyone has any ideas or suggestions, please feel free to contact any one of us in the committee.

Here is what we currently have on our website and very similar saying on our Facebook page;

New to our website or just interested in attending one of our outings/tours? We invite you and your family to come out and see for yourself the fun and comradery our club has to offer. The joy we have in our classic and antique vehicles (1989 and older) is driving them on some of Kentucky's picturesque back roads. We also have several over night tours that lead us out of the state and into many bordering states. Simply click on the "Contact Us" tab and fill out the form and on the comment section, just state, "wish to attend a tour" and someone will contact you.
