sometime during the night. We arrived at the restaurant and they had to move several tables and chairs to the private room just off the main seating area. Once we got settled into our seats we placed our orders. The ½ pound burgers were hand patted and cooked to order. Unfortunately, it took a while to get everyone fed and back on the road for home.

Thanks Patty and Jimmy Powell, with Jack Garabedian's help, for putting the tour together. Everyone enjoyed themselves and the food was very good!

May 21st AJ Country Café Danville, KY

By Jack Garabedian/Patty Powell

Saturday, May 21st, the morning of our tour. The day started as overcast with a good chance of rain. Well, it started to rain very slightly as a few of the club members started to arrive at the McDonald's at

Brannon Crossing but then it stopped. We had a total of 13 cars (8 collector cars & 5 modern cars).

As always we meandered the back roads as we headed to AJ's Country Café, formerly the Red Rooster, in Danville, KY. Some of the back roads, with the rolling hills, felt like we were in Eastern Kentucky area. The roads were smooth, but because of the heavy rains we had on Friday night, the creek, as we crossed over the bridge, was high and it appeared it may have flooded the bridge

Q: What was the lowest priced mass produced American car?

Our picnic is June 18th and I hope we have a good crowd as our tours have not seen great round outs so far. Bring a dish to share and the club will supply the meat and the rest. See the article for other information.

We will have a short meeting at the picnic so if you have anything you want to discuss feel free to bring it up.

**June 21st Picnic at Henry and Sandy's Place
 Membership Meeting Clay City, KY**

By Phil Schneider

June 18th, will be our picnic at Henry and Sandy Pettit's in Clay City. This will be pot luck as always so please bring a dish to be shared by all. The club will provide chicken, drinks, and paper products. To make it easier for us to get the chicken please try and let me know if you are coming. Call me or text me at philsch505@yahoo.com. This is a request and feel free to come even if you do not reply.

If you want to do a short tour before the picnic I will be leading one. We will leave from the McDonalds in Winchester at 10:15. This is located on U.S. 60 and we will meet in the parking lot In back of the restaurant. If it is raining we will meet inside. If you want to drive up we plan on eating at noon. From Lexington take I-64 to the Mountain Parkway just past Winchester. Then get off at the first Clay City exit and turn left. Just after you cross over the parkway turn left on 3022. Follow this till you turn right on Faulkner then left at the first drive.

Hope to see a big group and hope for better weather then last year.
