Waynesville for a day of heavy shopping. Phil left the shopping to the women and he enjoyed learning about the history of the area. Those who stayed in Lebanon spent the day shopping and exploring the downtown area.

The rain that was predicted for the day held off until late afternoon.

We then gathered for dinner at the Golden Lamb in Lebanon. They have a historian who gave us the history of the inn. The food was delicious, the setting beautiful and it was the perfect way to end the day.

Sunday morning found everyone taking different routes home. Barbara and David Estes took a side trip to Jungle Jims and Phil and I found a Williams Sonoma outlet.

It was a wonderful tour and a big THANK YOU to Charlie and Carolyn for leading the tour.

September 9th & 10th Waynesville, Ohio - Overnight (2 nights)

By Lo Arnold

On Friday morning 8 cars left the McDonalds in Paris heading to Lebanon for a weekend of shopping and history. After traveling US68 through Kentucky and southern Ohio we stopped for lunch at Lake Manor restaurant in Mt. Orba. They had a fabulous salad bar and serving sizes were generous. After lunch we continued our journey and after a small glitch in the route instructions we all arrived at the Shaker Inn safely.

The Gresham's met us there after performing grandparent duties at lunch.

Dinner Friday evening was at Houston Inn Restaurant in Mason Ohio. Again we enjoyed a huge salad bar and wonderful food. The frog legs were a favorite among the men.

Saturday morning several of us (the early risers) had breakfast and the women (and Phil) headed to

Next month we will be having our fall board meeting. If you have anything you would like us to discuss please contact a board member about it.

One of the big items at the meeting will be the committee to get people to run for office next year. We will need the 3 officials and 3 board members. All are 2 year terms. Please consider running for an office when you are called.

Jack Garabedian may run for office if someone will take over the newsletter so also consider that possibility.

Lo and I will be doing the November tour but have not decided on a date or place yet.

Start getting items ready for the auction at the year end dinner.
